

European Development Co-operation to 2020

EDC2020

EADI / DSA Conference: Rethinking Development

The EDC2020 project is happy to inform you that EADI will hold its triennial general conference in cooperation with the Development Studies Association of the United Kingdom and Ireland (DSA).

The conference will take place from 19 - 22 September 2011 in York, UK. For more information on the call for panels and papers please visit the [conference website](#).

Energy Security and Democratic Development: the case of Central Asia

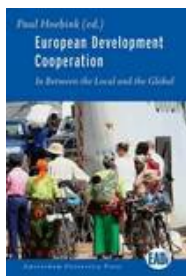

Upcoming Workshop

19 October 2010, Bonn, Germany

[More information and contact for registration](#)

European Development Cooperation In Between the Local and the Global

In European Development Cooperation, In Between the Local and the Global, contributors offer valuable new insights into the established aid instruments such as food aid, support for energy projects in Africa and security-related development assistance in the programmes of some smaller European donors, as well as an overview of these new donor programmes.

By Paul Hoebink (ed.)
